KOGARAH NSW 2217

Dear

The Board of Directors of the South Sydney District Rugby League Football Club at the meeting on Tuesday 28th July 1998 resolved that neighbouring Clubs be contacted in an effort to explore the possibility of mergers towards 2000.

This has been a delicate issue with the NRL Clubs recently and if your Club wishes to respond to the invitation it will be treated with the utmost confidentiality.

Yours sincerely

  
Darrell Bampton  
Chief Executive
