

In seasons 2002 + 2003, I still performed my duties as Historian under enormous pressure (the tragic loss of my wife causing me grief). In 2002, Paul Dunn gave me tickets for the lunch and red & green ball, and I helped at the players re-union.

Consequently, I feel as though I am possibly being squeezed out and I don't know why. I feel that the 3rd floor office has lost its South spirit. I have followed Souths since 1962 at the age of 8, with my late Dad, Kevin. Also his brother, Barry, was captain of 3rd grade, in 1948, etc.

I would never follow another club, my loyalty and passion is unquestionable. Also, my knowledge is 2nd to none, but my prestige has been taken away. My efforts in the years 2000 and 2001 were a labour of love, and now I can't even get season tickets for the home games. This is unbelievable & insulting.

I wish you and the Board every success as Souths march on in 2004 and beyond.

Yours sincerely

Broad Ryder.
