Dear

I received your package a while ago so my apologies in not getting back to you sooner. I've been working round the clock on getting our Bunnies going again!

I've read through everything you sent me and based on that I can understand why you feel the way you do. However, I trust you can appreciate that I cannot get involved. I have a job to do as head coach of this team and must focus all my time and energy on the on-field performances.

I truly hope you continue to support the team because the boys and I need you at the games cheering them on. I'm confident this club is heading in the right direction and hopefully our members and fans will enjoy more consistent performances in 2009.

Yours sincerely,

Jason Taylor

Coach – South Sydney Rabbitohs
