Would have got it on earlier Peter, but my kids hijacked me to watch 'Scrooged'.

I have a very good feeling about this information night.

There are also stirrings around the traps that many of the #14 group will be in attendance at Russell's concert at the Juniors. I think it would be very good opportunity for you to be seen in public with these people. The people who were the real engineers of Souths reinstatement to the NRL. I might even make it myself.

The wind seems to be blowing in a fairer direction at the moment. Many pieces of a long broken puzzle appear to be falling into place.

Again, well done!

The Botak

Long day. Just finished at Leagues club. Sorry to dissappoint, we didn't get in a fight, actually, constudctive.

Can we tell people I will be hosting an information night at the Juniors this coming monday at 8pm. Last available date at Juniors this year, so I took it. I will tell media tomorrow but let's let people know tonight.

I will work on a host tonight.

Can we set up a thread for people to post questions, and the host will consolidate questions from ALL FAN SITES and ask me the first questions. Then open mic.

Members only. Everyone will need to give their numbers at the door.
