South Sydney Leagues Club

REDFERN NSW 2016

Dear George,

I received your mobile phone text message on Saturday afternoon which said that our "proposal will be tabled at the next Board meeting for consideration" and that you would "get back to [me] with the outcome."

As our proposal is quite complex, I would respectfully request that we meet prior to the next Leagues Club board meeting to clarify the proposal, and that I then be given the opportunity to present the proposal in its full form to your Board.

We have had many conversations over the last three months and I have sought to have my proposal address all the points that you have made about the challenges facing the Senior Leagues Club.

My correspondence will be made available to the fans of the South Sydney Rabbitohs as it is important that this exciting chapter in the Club's history be seen by all stakeholders to be conducted in a positive and transparent fashion.

I will call you to see if we can set up a meeting at your earliest convenience.

Sincerely,

Peter Holmes à Court
