Notice to Appear

Dear Mr Singleton

I am writing to you in relation to the incident that occurred at Redfern Town Hall on Wednesday night, 24 November 2004.

The serious allegations you made in public against fellow members of this Football Club were entirely inappropriate in such a forum.

The Board of Directors has determined that your conduct on the night in question was prejudicial to the interests and welfare of the Football Club.

You are therefore required pursuant to articles 61 and 62 to appear before a sub-committee of the Board on Monday, 20 December 2004 at 8.00pm to demonstrate why you should not be dealt with under those provisions. The penalties available to the Board include disqualification, suspension and/or fine.

Please contact Annabel Gay as soon as possible on 8306 9900 to confirm your attendance.

Your failure to respond to this letter, or to appear before the Board sub-committee, will result in the Club taking action against you without further notice.

Yours sincerely

Shane Richardson
Chief Executive Officer
